Greeting Dear Hiring Manager,

Body I am writing to express my interest in the position at ZipRecruiter. With a background in Information Technology and hands-on experience in systems administration and software development, I am eager to contribute my skills to drive the success of your organization.

In my role as Systems Administrator for the City of Neptune Beach, I managed a Windows Active Directory-based network and developed internal applications to optimize productivity. My leadership skills were further honed while handling a multi-million-dollar budget and implementing disaster recovery solutions.

Additionally, my entrepreneurial venture, Mandarin 3D Prints, showcases my abilities in software development and digital marketing, achieving impressive sales growth and customer satisfaction. I am passionate about problem-solving, innovation, and driving meaningful results.

I am excited about the opportunity to bring my expertise to ZipRecruiter and would welcome the chance to discuss how my background aligns with your goals. Thank you for considering my application.

Closing Sincerely,

Ryan Vogel
